RE: Delaware Rural Water's 11th Annual Water & Wastewater Operator Expo

We want to thank our Conference Committee Members and all of our Associate Members for another job well done at our **29th** Annual Technical Conference. We are planning our **11th** Annual Water and Wastewater Operator Expo and hope you will join us for this event.

Here are some confirmed points of interest:

- Our 11th Annual Water and Wastewater Operator Expo will be held on **Friday, October 4th 2019, from 9:00 a.m. until 3:00 p.m.**, at the **Milford Elks Lodge, 18951 Elks Lodge Road, Milford, Delaware 19963**. This location allows us plenty of room to do inside tabletop exhibits, some outside displays, and room to provide activities for operator competitions.
- Our menu will consist of hot steamed crabs, shrimp, hot dogs, hamburgers, chips, and fresh Delaware sweet corn. Beverages include sodas, beer and bottled water.
- Technical sessions will be provided in the morning to our water and wastewater operators for continuing educational approved credits.
- Our outside activities will include competitions between water or wastewater utilities:
 - Vendor demos
 - Games such as Horseshoes, Ring Master, and Corn Hole
 - Backhoe Competition
- Each of these events can be sponsored by an associate member for a minimum of \$100.00/event. Both the winners and sponsors of each event will receive a plaque and be recognized on our website.
