

DELAWARE RURAL WATER ASSOCIATION 31st Annual Technical Conference & Exhibition

Good Afternoon Friends,

As many of you are aware, DRWA has been working diligently with the State of Delaware and the Delaware State Fairgrounds to create an approved plan so that we could hold our 31st Annual Technical Conference & Exhibition in February 2021.

Unfortunately, due to the current COVID-19 restrictions that have been recently set and the uncertainty of the next several months, the DRWA Board & Staff have made the decision to reschedule our event for August 17th-19th 2021. Though we regret having to do this, we feel it is in the best interest of everyone involved. Please look for more information to follow as these plans are finalized.

We wish you all a wonderful holiday season staying healthy & safe and we look forward to having you join us in August 2021 !!!!
