Instructor Spotlight

Mike Harrington, C.M. Harrington Co., has been serving as a training specialist on behalf of manufacturers, distributors, state training centers, community colleges and water/wastewater associations serving the small to midsize water/wastewater facility since 1996. Since 1990, Mike has given over 500 training workshops, seminars, classes, etc. on behalf of AWWA, WEA and NRWA state affiliates.

DELAWARE RURAL WATER ASSOCIATION CORPORATE SPONSORS

Delaware Rural Water Association Presents:

Comparing Alternative Disinfection Systems for Water and Wastewater Operations

Tuesday, May 23rd 2023

The pros and cons of chlorine (gas, powder, liquid) compared and contrasted against alternatives like Chloramines, Chlorine Dioxide, Ozone, UV, Mixed Oxidants, Ultra-filtration and other disinfectants and how they may help in meeting requirements for the Disinfection byproducts and up coming Groundwater Rules. An interactive program combining superb computer generated visuals, discussion and demonstrations.

Time: 9:00am-4:00pm
ECH: 6.0 Hrs. Water & Wastewater-Direct
Location: DRWA Training Facility
210 Vickers Drive
Milford, DE. 19963
Cost: FREE - Funded By EPA
Instructor: Mike Harrington,
C.M. Harrington Corporation
