Instructor Spotlight

Suzanne Vietri has worked with Delaware Safety Council since 1990 as an on-site and remote trainer bringing 30+ years of knowledge and training to DRWA in the areas of Cardiopulmonary Resuscitation (CPR) and Automated External Defibrillator (AED). Suzanne graduated from West Chester University in West Chester, PA. receiving a M.S. in Administration with a Health Services Concentration and a B.S. in Public Health. With her CPR & AED training, she also has training in First Aid, Blood-borne Pathogens, Babysitting and Emergency Medical Services.

We welcome Suzanne to DRWA for this class and appreciate her sharing her knowledge with us!

Delaware Rural Water Association Presents:

Learn How to Become Cardiopulmonary Resuscitation (CPR) and AED Certified

Monday, December 12th 2022

Cardiovascular conditions and heart disease (including sudden cardiac arrest, heart attack, and stroke) are the leading causes of death in the United States. When the heart stops, blood and oxygen are unable to circulate throughout the body and can lead to brain damage within minutes.

A bystander with CPR certification and training could potentially save a life with their knowledge, skills, and confidence to act in an emergency and perform CPR as accurately as possible in times of need.

Time: 9:00 am - 12:00 pm
ECH's: 3.0 ECH Hrs. W & WW - TBD
Cost: FREE - Funded By EPA
Location: DRWA Training Facility (On-site)
210 Vickers Drive
Milford, DE. 19963
Instructor: Suzanne Vietri, DE Safety Council

PLEASE NOTE: CLASS LIMIT IS 20
