Delaware Mutual Aid and Assistance Agreement for Intrastate Water/Wastewater Agency Response Network (WARN)

AGREEMENT

This Agreement (the "Agreement") is made and entered into by public and private Water and Wastewater Utilities (the "Utilities") operating in the State of Delaware, who, by executing this Agreement, manifested their intent to participate in an Intrastate Program for Mutual Aid and Assistance, known as Delaware Water/Wastewater Agency Response Network (DEWARN).

The formation of a mutual aid and assistance network is consistent with Delaware Code, 20 Del. C. § 3203, and Homeland Security Presidential Directives No. 5 (HSPD-5) and No. 8 (HSPD-8). A basic premise of the National Response Plan, as established by HSPD-5, is that state and local resources and interstate mutual aid agreements will provide the first line of emergency response until such time state resources and capabilities are overwhelmed and Federal assistance is requested. HSPD-8 calls for regional collaboration through mutual aid agreements and assistance compacts to strengthen preparedness and the capability to respond to, and recover from, emergency situations.

ARTICLE I.

PURPOSE

Recognizing that emergencies may require aid or assistance in the form of personnel, equipment, and supplies from outside the area of impact, the signatory utilities hereby establish an Intrastate Program for Mutual Aid and Assistance. Through the Mutual Aid and Assistance Program, Members coordinate response activities and share resources during emergencies. This Agreement sets forth the procedures and standards for the administration of the Intrastate Mutual Aid and Assistance Program across jurisdictional and county boundaries in the State of Delaware. This Mutual Aid Program is limited to Water and Wastewater utilities and in no way affects other mutual aid or other agreements relating to the provision of other types of services in Emergency situations.
ARTICLE II.

The Executive Committee shall be comprised of Members representing water and wastewater utilities throughout the State of Delaware, the Delaware Rural Water Association, the State Division of Public Health, Delaware Emergency Management Agency (DEMA) and the State Department of Natural Resources and Environmental Control (DNREC). Under the leadership of an elected Chairperson, the Executive Committee Members shall plan and coordinate emergency planning and response activities for the Mutual Aid and Assistance Program.

PROCEDURES

In coordination with the emergency management and public health system of the state, the Executive Committee shall develop operational and planning procedures for the Mutual Aid and Assistance Program. These procedures shall be reviewed at least annually and updated as needed by the Executive Committee.

ARTICLE V.
REQUESTS FOR ASSISTANCE

A. Member Responsibility: Members shall identify an Authorized Official and alternates; provide contact information including 24-hour access; and maintain resource information that may be available from the utility for mutual aid and assistance response. Such contact information shall be updated annually or when changes occur, and provided to the Executive Committee.

In the event of an Emergency, a Member’s Authorized Official may request mutual aid and assistance from a participating Member. Requests for assistance can be made orally or in writing. When made orally, the request for personnel, equipment, and supplies shall be prepared in writing as soon as practicable. Requests for assistance shall be directed to the Authorized Official of the participating Member. Specific protocols for requesting aid shall be provided per the procedures described in Article IV.

Following the evaluation, the Authorized Official shall inform, as soon as possible, the Requesting Member whether it will respond. If the Member is willing and able to provide assistance, the Member shall inform the Requesting Member about the type of available resources, the approximate arrival time of such assistance and the expected duration of resource availability.

C. Discretion of Responding Member’s Authorized Official – Execution of this Agreement does not create any duty to respond to a request for assistance. When a Member receives a request for assistance, the Authorized Official shall have sole and absolute discretion as to
whether or not to respond, or the availability of resources to be used in such response. An Authorized Official decisions on the availability of resources shall be final and shall not be challenged by any other Member Utility.

The Responding Member’s designated supervisor(s) must keep accurate records of work performed by personnel during the specified Period of Assistance.

C. Food and Shelter – Whenever practical, Responding Member personnel must be self-sufficient for up to 72 hours. When possible, the Requesting Member shall supply reasonable food and shelter for Responding Member personnel. Except as provided below, the cost for such resources must not exceed the State per diem rates for that area. To the extent Food and Shelter costs exceed the State per diem rates for the area, the Responding Member must demonstrate that the additional costs were reasonable and necessary under the circumstances. Unless otherwise agreed to in writing, the Requesting Member remains responsible for reimbursing the Responding Member for all reasonable and necessary costs associated with providing food and shelter, if such resources are not provided.

D. Communication – The Requesting Member shall provide Responding Member personnel with radio equipment as available, or radio frequency information to program existing radio equipment, in order to facilitate communications with local responders and utility personnel.

such loss, damage, expense, or other cost, or may loan such equipment or donate such
services to the Requesting Member without charge or cost.

A. Personnel - The Requesting Member shall be reimbursed by the Requesting Member for
personnel costs incurred for work performed during the specified Period of Assistance.
Responding Member personnel costs shall be calculated according to the terms provided in
their employment contracts or other conditions of employment. The Responding Member's

during the specified Period of Assistance. Requesting Member reimbursement to the
Responding Member should consider all personnel costs, including salaries or hourly
wages, costs for fringe benefits, and indirect costs.

of equipment during the specified Period of Assistance, including, but not limited to,
reasonable rental rates, all fuel, lubrication, maintenance, transportation, and

circumstances. As a minimum, rates for equipment use must be based on the most recent
Federal Emergency Management Agency's (FEMA) Schedule of Equipment Rates. If a
Responding Member uses rates different from those in the FEMA Schedule of Equipment
Rates, the Responding Member must provide such rates orally or in writing to the
Requesting Member prior to supplying the equipment. Mutual agreement on which rates are
used must be reached orally or in writing prior to dispatch of the equipment. Final written
agreement must be provided to the requesting member within 48 hours of dispatch of the
equipment, or as soon as reasonably possible. Reimbursement for equipment not
referred to the FEMA Schedule of Equipment Rates must be developed based on actual
recovery of costs. If Responding Member must lease a piece of equipment while its
equipment is being repaired, Requesting Member shall reimburse Responding Member for
such rental costs.

C. Materials and Supplies - The Requesting Member must reimburse the Responding Member
in kind or at actual replacement cost, plus handling charges, for use of expendable or non-
returnable supplies. The Responding Member must not charge direct fees or rental charges
to the Requesting Member for other supplies and reusable items that are returned to the
Responding Member in a clean, damage-free condition. Reusable supplies that are
returned to the Responding Member with damage must be treated as expendable supplies
for purposes of cost reimbursement.

D. Payment Period - The Responding Member must provide an itemized bill to the Requesting
Member for all expenses incurred by the Responding Member while providing assistance

DEWARN Agreement (revised 4/25/13)
under this Agreement. The Responding Member must send the itemized bill not later than
(90) ninety days following the end of the Period of Assistance. The Responding Member
can request additional periods of time within which to submit the itemized bill, and
Requesting Member shall not unreasonably withhold consent to such request. The
Requesting Member must pay the bill in full on or before the forty-fifth (45th) day following
the billing date. The Requesting Member may request additional periods of time within
which to pay the itemized bill, and Responding Member shall not unreasonably withhold
consent to such request, provided, however, that all payment shall occur not later than one-
year after the date a final itemized bill is submitted to the Requesting Member.

E. Records - Each Responding Member and their duly authorized representatives shall have
access to a Requesting Member’s books, documents, notes, reports, papers and records
which are directly pertinent to this Agreement for the purposes of reviewing the accuracy of
a cost bill or making a financial, maintenance or regulatory audit. Each Requesting Member
and their duly authorized representatives shall have access to a Responding Member’s
books, documents, notes, reports, papers and records which are directly pertinent to this
Agreement for the purposes of reviewing the accuracy of a cost bill or making a financial,
maintenance or regulatory audit. Such records shall be maintained for at least three (3)
years or longer where required by law, and the review of such records shall be kept strictly
confidential, unless otherwise required by law.

ARTICLE VIII.
DISPUTES

If any controversy or claim arises out of, or relates to, the execution of the Agreement, including,
but not limited to, alleged breach of the Agreement, the disputing Members shall first attempt to
resolve the dispute by negotiation, followed by mediation and finally shall be settled by
arbitration in accordance with the Rules of the American Arbitration Association. Any court of
competent jurisdiction in the State of Delaware may enter the judgment rendered by the
arbitrators as final judgment that is binding on the parties. All Member Utilities expressly waive
the right to a jury trial in any such litigation.

ARTICLE IX.
