

Delaware Rural Water Association

CORPORATE SPONSORSHIPS

The Delaware Rural Water Association (DRWA) invites you to become one of our selected Corporate Sponsors. Being a Corporate Sponsor allows you to have priority services that we offer and demonstrate your products in many different ways at our annual functions. DRWA is a professional, nonprofit organization that promotes safe drinking water, contamination prevention, and continuing education and backflow certifications through ASSE.

All of our services are geared toward local officials, water and wastewater operators, plumbers, code enforcement officials and many others in our industry today. Our Corporate Sponsorships are designed with a couple of levels to meet your company's marketing and promotional needs which will provide you with optimum exposure to your customers.

If you are interested into becoming a Corporate Sponsor please give me a call at 302-424-3792 and we will gladly assist you.

Rick Duncan, Executive Director
