Instructor Spotlight

Mike Harrington, C.M. Harrington Co., has been serving as a training specialist on behalf of manufacturers, distributors, state training centers, community colleges and water/wastewater associations serving the small to midsize water/wastewater facility since 1996. Since 1990, Mike has given over 500 training workshops, seminars, classes, etc. on behalf of AWWA, WEA and NRW state affiliates.

DELAWARE RURAL WATER ASSOCIATION CORPORATE SPONSORS

Delaware Rural Water Association Presents:

Fundamental Principles of Small Ground Water System Operations

Tuesday, August 15th 2023

This program was designed and written specifically for the small ground system with virtually no treatment except perhaps UV disinfection. Even the beginning larger water system operator will find this program useful and skill enhancing. Through the use of super computer graphics and slides, visual demonstrations & hands-on plus a lively interactive verbal presentation attendees will find this program entertaining and informative. We'll cover the basics from well design, common water treatment techniques, distribution, disinfection, residuals measurements, even general regulatory rule compliance like Coliform, Ground water, Lead/Copper, Nitrates are reviewed. How to handle and report violation issues are reviewed as well.

Time: 9:00am-4:00pm

ECH: 6.0 Hrs. Water - Direct
Location: DRWA Training Facility
210 Vickers Drive
Milford, DE. 19963
