## Instructor Spotlight

Steve Rohm brings 40+ years of Water & Wastewater knowledge and experience with him to DRWA. Since January 2009, Steve has owned & operated Rohm & Associates, Environmental Consulting and Training which provides environmental consultation and training to clients in areas of water, wastewater, solid & hazardous waste management and agriculture in matters relating to regulatory compliance in technology.

We look forward to having Steve join us and share his knowledge with our class!!

# Lagoon Systems (Secondary Treatment)

Tuesday, January 25<sup>th</sup> 2022

This session will cover the safe operations of wastewater lagoons, including startup and shutdown procedures, preventive maintenance, performance indicators and record keeping. Participants will also learn about developing a lagoon operating strategy based on how lagoons work, the type of lagoon, and the factors influencing and controlling lagoon treatment processes; assessing lagoon operation to identify sources of problems or abnormal operations and make operational adjustments to return to normal operation,

Time: 9:00 am - 3:30 pm

ECH's: 6.0 Hrs. Wastewater - TBD

Cost: **\$100.00 Per Person**

Location: DRWA Training Facility

210 Vickers Drive

Milford, DE. 19963

Instructor: Steve Rohm, Rohm & Associates

**PLEASE NOTE: CLASS LIMIT IS 40**
